Response to incomplete submissions

This is an automated message

Dear Author,

Our records indicate that you started the submission process for the above referenced manuscript several days ago. As the submission process is incomplete, this manuscript has not yet been submitted to Energy & Buildings.

If you intend to proceed with the submission, please complete the submission within the next 60 days. To complete your submission, please log in as an author at, and navigate to the "Incomplete Submissions" or "Submissions Waiting for Author's Approval" folder.

If you do not take any action, this incomplete submission will be removed from the journal site in 60 days.

You may disregard this message if you no longer wish to proceed with this submission, or if this is a duplicate submission. In that case, the incomplete submission will be automatically removed from the journal site in 60 days.

Thank you for your cooperation.

Kind regards,

Response “accept with revision”

Manuscript ID:

Manuscript Title:

Authors:

Dear **Author**,

Evaluation process of the above-mentioned manuscript has been reviewed. The comments of the reviewer(s) are included at the bottom of this letter.

The reviewer(s) have recommended publication, but also suggest some revisions to your manuscript. Therefore, I invite you to respond to the reviewer(s) comments and revise your manuscript within the period of defined time.

Because we are trying to facilitate the timely publication of manuscripts submitted to the journal, your revised manuscript should be uploaded during a week from receiving this e-mail. If it is not possible for you to submit your revision in the time limit, we may have to consider your paper as a new submission.

Please, follow the link(s) provided to see the reviewer(s) comments, or simply login to your account to see them.

Thank you for your cooperation.

Kind regards,

Response to a received manuscript
